### ICICI Bank Careers

#### Responsibilities:

1. Financial Audit: Conduct comprehensive audits of financial statements, accounting records, and internal controls to ensure accuracy, reliability, and compliance with regulatory requirements. Evaluate the effectiveness of internal control systems and identify areas of potential risk or non-compliance. Prepare audit reports detailing findings, recommendations, and action plans to address identified issues.
2. Risk Assessment: Assess and analyze potential risks in various operational areas and processes. Develop risk-based audit plans and execute audits
